Re: Freedom of Information Act (FOIA) Requests #EPA-R2-2014-009786 and -009787

Dear Mr. Sullivan:

Enclosed is a DVD containing documents responsive to your FOIA requests #EPA-R2-2014-009786 and EPA-R2-2014-009787, which request, in part, any materials received during the public comment period on the U.S. Environmental Protection Agency's Proposed Plan for the cleanup of the lower eight miles of the Lower Passaic River. Some documents included copyrighted materials that could not be provided on the DVD. Those materials are listed within the documents released and are available for review in the EPA Region 2 Superfund Records Center at 290 Broadway, 18th Floor, New York, NY 10007. Please call the Records Center at 212-637-4308 to make an appointment.

This DVD represents an interim response to the FOIA requests. We are still searching for and reviewing documents that may be responsive to the FOIA requests. I am now estimating that it will take until the end of November 2014 to finish responding to both of these FOIA requests.

If you have any questions, please call me at 212-637-4427.

Sincerely yours,
